Long life learning program Leonardo da Vinci mobility Project „**DELICIOUS MEAT**“No.  
**LLP-LdV-IVT-2013-LT-0837**,

The project is meant to improve the professional competences of the students of food industry, food products production workers' and cooks' specialties in the initial vocational training.

**The project organizer:** Utena Regional Vocational Training and Education Centre.

From 15 June, 2013 to 15 July, 2013 food industry worker and cook's specialties students from Utena Regional Vocational Training and Education Centre, Kelme Vocational Training Centre and Panevezys Trade and Business Services School went on a 4-week traineeship to Land und Forstwirtschaftlicher Betrieb in Austria.

The future butchers and cooks worked at the cold meat dishes cafeterias in Corinth land and at the meat dishes or snacks sections in the restaurants of such famous hotels as "Romantic post hotel", "Kristal", Hochosterwitz Castle, "Stupingber", "Prechtthof", guest houses "Hochsteiner", "Winter inspiration", "Ranner", "Wegsfleider". During the traineeship the students improved their skills and acquired some experience in producing and serving traditional cold meat products, second hot meat dishes. Besides the work in the kitchen, the future butchers and cooks acquired some good experience in working with the equipment for meat production, learned something new about the production and serving subtleties of various traditional meat products in Corinth land.

#### Cultural program

The participants of the traineeship lived in the Austrian families, so they learnt a lot about the Austrian lifestyle, customs, traditions; they also improved their skills of German language.

On weekends and in free time the participants went on excursions:

- visited Minimundo miniature park in Klagenfurt, where they admired the miniatures of the most famous world buildings
- visited Wilich town, its old town and the cathedral of the town;

- visited Venice in Italy, where they admired St. Mark's Basilica in the square of St. Mark's, they also wandered in the narrow streets of the town, sailed gondolas;
- the participants of the traineeship had a possibility to see the local sights individually, went to the Alps, went fishing, swimming and so on.
